AFF COVID-19 Statement and Business Continuity Plan

AFF is closely monitoring official reporting of the current global Coronavirus pandemic.

We are following the advice and direction of the Australian Government and WA Health Department and in response have put in place measures to ensure the health and wellbeing of our staff, customers and suppliers, and to play our part in Australia's containment strategy.

We would like to assure you that as critical suppliers to the Oil and Gas Industry, we have taken all necessary steps to ensure AFF will continue to remain fully operational to provide you with the high service level you are accustomed to receiving from us, even during this challenging time. Along with the continued supply of our Approved Branded local stock holding AFF is closely monitoring our global supply chain to maintain on time deliveries and real time reporting to all our clients, in order to minimise disruption or delay where possible.

The spread of COVID-19 is rapidly changing the world in which we live and work, and the impact is likely to continue in the weeks and months ahead.

AFF remains committed to providing you and your project with exceptional quality product and service.

Should you have any concerns or queries outside of our normal communications please do not hesitate to contact us.
